Changes to the time of performance will be subject to a price adjustment only.

(c) SELLER must request any equitable adjustment under this clause within thirty (30) days from the date of receipt of the written change order from PEAK MANUFACTURING. If SELLER's proposed equitable adjustment includes the cost of property made obsolete or excess by the change, PEAK MANUFACTURING shall have the right to prescribe the manner of disposition of the property.

(d) Failure to agree to any adjustment shall be resolved in accordance with the "Disputes" clause of this Contract. However, nothing contained in this "Changes" clause shall excuse SELLER from proceeding without delay in the performance of this Contract as changed.

6. CONTRACT DIRECTION

(a) Only the PEAK MANUFACTURING Procurement Representative has authority on behalf of PEAK MANUFACTURING to make changes to this Contract. All amendments must be identified as such in writing and executed by the parties.

(b) PEAK MANUFACTURING engineering and technical personnel may from time to time render assistance or give technical advice or discuss or effect an exchange of information with SELLER's personnel concerning the Work hereunder. No such action shall be deemed to be a change under the "Changes" clause of this Contract and shall not be the basis for equitable adjustment.

(c) Except as otherwise provided herein, all notices to be furnished by SELLER shall be in writing and sent to the PEAK MANUFACTURING Procurement Representative.

7. COUNTERFEIT WORK

(a) The following definitions apply to this clause:

"Counterfeit Work" means Work that is or contains unlawful or unauthorized reproductions, substitutions, or alterations that have been knowingly mismarked, misidentified, or otherwise misrepresented to be an authentic, unmodified part from the original manufacturer, or a source with the express written authority of the original manufacturer or current design activity, including an authorized aftermarket manufacturer. Unlawful or unauthorized substitution includes used Work represented as new, or the false identification of grade, serial number, lot number, date code, or performance characteristics.

"Suspect Counterfeit Work" means Work for which credible evidence (including, but not limited to, visual inspection or testing) provides reasonable doubt that the Work part is authentic.

(b) SELLER shall not deliver Counterfeit Work or Suspect Counterfeit Work to PEAK MANUFACTURING under this Contract.

(c) SELLER shall only purchase products to be delivered or incorporated as Work to PEAK MANUFACTURING directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor chain. SELLER may use another source only if (i) the foregoing sources are unavailable, (ii) SELLER's inspection and other counterfeit risk mitigation processes will be employed to ensure the authenticity of the Work, and (iii) SELLER obtains the advance written approval of PEAK MANUFACTURING.

(d) SELLER shall maintain counterfeit risk mitigation processes in accordance with industry recognized standards and with any other specific requirements identified in this Contract.

(e) SELLER shall immediately notify PEAK MANUFACTURING with the pertinent facts if SELLER becomes aware that it has delivered Counterfeit Work or Suspect Counterfeit Work. When requested by PEAK MANUFACTURING, SELLER shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM. SELLER, at its expense, shall provide reasonable cooperation to PEAK MANUFACTURING in conducting any investigation regarding the delivery of Counterfeit Work or Suspect Counterfeit Work under this Contract.

(f) This clause applies in addition to and is not altered, changed, or superseded by any quality provision, specification, statement of work, regulatory flowdown, or other provision included in this Contract addressing the authenticity of Work.

(g) In the event that Work delivered under this Contract constitutes or includes Counterfeit Work, SELLER shall, at its expense, promptly replace such Counterfeit Work with genuine Work conforming to the requirements of this Contract. Notwithstanding any other provision in this Contract, SELLER shall be liable for all costs relating to the removal and replacement of Counterfeit Work, including without limitation PEAK MANUFACTURING'S costs of removing Counterfeit Work, of installing replacement Work and of any testing necessitated by the reinstallation of Work after Counterfeit Work has been exchanged. The remedies contained in this paragraph are in addition to any remedies PEAK MANUFACTURING may have at law, equity or under other provisions of this Contract.

(h) SELLER shall include paragraphs (a) through (f) and this paragraph (h) of this clause or equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or furnished as Work to PEAK MANUFACTURING.

8. DEFAULT

(a) PEAK MANUFACTURING, by written notice, may terminate this Contract for default, in whole or in part, if SELLER (i) fails to comply with any of the terms of this Contract; (ii) fails to make progress so as to endanger performance of this Contract; (iii) fails to provide adequate assurance of future performance; (iv) files or has filed against it a petition in bankruptcy; or (v) becomes insolvent or suffers a material adverse change in financial condition. SELLER shall have ten (10) days (or such longer period as PEAK MANUFACTURING may authorize in writing) to cure any such failure after receipt of notice from PEAK MANUFACTURING. Default involving delivery schedule delays, bankruptcy or adverse change in financial condition shall not be subject to the cure provision.

(b) Following a termination for default of this Contract, SELLER shall be compensated only for Work actually delivered and accepted. PEAK MANUFACTURING may require SELLER to deliver to PEAK MANUFACTURING any supplies and materials, manufacturing materials, and manufacturing drawings that SELLER has specifically produced or acquired for the terminated portion of this Contract. PEAK MANUFACTURING and SELLER shall agree on the amount of payment for these other deliverables.

(c) In the event of a cancellation or termination under this Contract, SELLER shall be liable to PEAK MANUFACTURING for cover costs, in addition to PEAK MANUFACTURING'S other rights and remedies at law or in equity.

(d) Upon the occurrence and during the continuation of a default, PEAK MANUFACTURING may exercise any and all rights and remedies available to it under applicable law and equity, including without limitation, cancellation of this Contract. If after termination for default under this Contract, it is determined that SELLER was not in default, such termination shall be deemed a termination for convenience.

(e) SELLER shall continue all Work not terminated or cancelled.

(e) In the event of an anticipated change in control of SELLER involving a non-U.S. person or entity, SELLER shall provide PEAK MANUFACTURING with notice at least 90 days prior to the effectiveness of such change of control consistent with applicable law and confidentiality restrictions.

(f) If SELLER is engaged in the business of exporting manufacturing (whether exporting or not) or brokering defense articles or furnishing defense services, SELLER represents that it is and will continue to be registered with the Directorate of Defense Trade Controls, as required by the ITAR, and it maintains an effective export/import compliance program in accordance with the ITAR.

(g) Where SELLER is a party to or signatory under a PEAK MANUFACTURING Technical Assistance Agreement (TAA) or Manufacturing License Agreement (MLA), license exception or license exemption, collectively, "Export Authorization,"

SELLER shall provide prompt notification to the PEAK MANUFACTURING Procurement Representative in the event of (1) changed circumstances including, but not limited to, ineligibility, a violation or potential violation of the ITAR or other applicable governmental restrictions, and the initiation or existence of a U.S. Government investigation, that could affect SELLER's performance under this Contract, or (2) any change by SELLER that might require PEAK MANUFACTURING to submit an amendment to an existing Export Authorization or request a new or replacement Export Authorization. SELLER shall provide to PEAK MANUFACTURING all information and documentation as may reasonably be required for PEAK MANUFACTURING to prepare and submit any required export license applications. Delays on SELLER's part to submit the relevant information for export authorizations shall not constitute an excusable delay under this Contract.

(h) Upon completion of performance of this Contract, SELLER and its lower-tier subcontractors shall as directed by PEAK MANUFACTURING, return or destroy all export controlled technical data, technology, hardware or other items. SELLER shall provide a certificate of destruction for all destroyed items.

16. IMPORTER OF RECORD

(This clause applies only if this Contract involves importation of Work into the United States.)

(a) SELLER understands that the Work may be, either now or in the future, subject to one or more trade remedy proceedings (e.g., anti-dumping, countervailing duty, safeguard) in the United States, which may result in the imposition of additional duties or other charges or quantitative restrictions on the imported goods. If any such proceedings are initiated, SELLER shall, at PEAK MANUFACTURING'S request, cooperate fully with PEAK MANUFACTURING and with requests for information from the competent government authorities in the United States. SELLER further understands and agrees that such cooperation may require it to provide confidential sales and cost information to the competent authorities so that they can calculate the amount of the duty or other charge on the goods.

(b) At all times before, during, or after the initiation of a trade remedy proceeding in the United States or another country, SELLER shall take all available steps necessary to minimize (1) the risk that additional duties or other charges may be imposed on its goods sold to PEAK MANUFACTURING and (2) the amount of such duties or charges. SELLER warrants that there are no additional duties or other charges (e.g., antidumping duties, countervailing duties, safeguard duties) covering the Work, so long as the Work is (1) sold before the date of publication of the official government notice that imposes additional duties or other charges (i.e., the "antidumping duty order"); and (2) exported before the date of publication of the final determination of the Department of Commerce concluding the investigation phase of the antidumping proceeding. The purpose of this provision is to comply with U.S. regulation 19 C.F.R. § 351.402(f) (2013). PEAK MANUFACTURING may terminate the Contract without liability to SELLER if additional duties or other charges are imposed on the goods produced or exported by SELLER.

(c) Unless this Contract expressly states that PEAK MANUFACTURING is designated as the importer of record, SELLER agrees that:

(1) PEAK MANUFACTURING will not be a party to the importation of Works, the transaction(s) represented by this Contract will be consummated after importation, and SELLER shall neither cause nor permit PEAK MANUFACTURING'S name to be shown as "Importer Of Record" on any customs declaration Temporary or Import Bond; and

(2) Upon request and where applicable, SELLER shall provide to PEAK MANUFACTURING Customs Form 7501 entitled "Customs Entry", properly executed.

17. INDEMNITY

SELLER shall defend, indemnify, and hold harmless PEAK MANUFACTURING, its officers, directors, employees, consultants, agents, affiliates, successors, permitted assigns and customers from and against all losses, costs, claims, causes of action, damages, liabilities, and expenses, including attorney's fees, all expenses of litigation and/or settlement, and court costs,

18. INDEPENDENT CONTRACTOR RELATIONSHIP

(a) SELLER's relationship to PEAK MANUFACTURING shall be that of an independent contractor and this Contract does not create an agency, partnership, or joint venture relationship between PEAK MANUFACTURING and SELLER or PEAK MANUFACTURING and SELLER personnel. Personnel supplied by SELLER hereunder shall be deemed employees of SELLER and shall not for any purposes be considered employees or agents of PEAK MANUFACTURING. SELLER assumes full responsibility for the actions and supervision of such personnel while performing services under this Contract. PEAK MANUFACTURING assumes no liability for SELLER personnel.

(b) Nothing contained in this Contract shall be construed as granting to SELLER or any personnel of SELLER rights under any PEAK MANUFACTURING benefit plan.

19. INFORMATION ASSURANCE

(b) If SELLER becomes aware of any compromise of information used in the performance of this Contract or provided by PEAK MANUFACTURING to SELLER, its officers, employees, agents, suppliers, or subcontractors (an "Incident"), SELLER shall take appropriate immediate actions to investigate and contain the Incident and any associated risks, including notification to PEAK MANUFACTURING within seventy-two (72) hours after learning of the Incident. As used in this clause, "compromise" means that information has been exposed to unauthorized access, inadvertent disclosure, known misuse, loss, destruction, or alteration other than as required to perform the Work. SELLER shall provide reasonable cooperation to PEAK MANUFACTURING in conducting any investigation regarding the nature and scope of any Incident. Any costs incurred in investigating or remedying Incidents shall be borne by SELLER.

(c) Prior to commencement of Work, SELLER shall have a written agreement with each of its employees performing services hereunder sufficient to enable SELLER to comply with this Clause.

(e) Any PEAK MANUFACTURING provided information identified as proprietary or subject to restrictions on public disclosure by law or regulation shall be encrypted (i) if transmitted via the Internet, or (ii) during electronic storage if potentially accessible by the Internet or otherwise by non-authorized users.

(f) This subparagraph applies when SELLER personnel are required to have access to PEAK MANUFACTURING information systems to perform the Work. SELLER represents and warrants that it will only assign personnel to perform (1) to the extent it is necessary to perform the Work under the Contract; and (2) who have passed a background screening investigation which ensures the personnel have met standards evidencing a degree of trustworthiness appropriate to granting the personnel access to proprietary or other forms of sensitive data. SELLER will promptly notify PEAK MANUFACTURING if, at any time during Contract performance, the data supporting an approval or clearance for access to PEAK MANUFACTURING information systems becomes outdated, superseded, or inaccurate for any reason. In the event Contract requirements include that SELLER personnel have access to information provided by or on behalf of PEAK MANUFACTURING to SELLER that is subject to additional security access requirements (e.g., classified information, special access, etc.) then SELLER agrees that its personnel shall undergo additional background screening conducted by or on behalf of PEAK MANUFACTURING Security, if needed. Additionally, SELLER shall furnish PEAK MANUFACTURING Security with all data as PEAK MANUFACTURING may reasonably require is necessary to obtain or verify clearance for the personnel to be able to access such information.

(g) The provisions set forth above are in addition to and do not alter, change or supersede any obligations contained in a proprietary information agreement between the parties.

(a) SELLER shall provide PEAK MANUFACTURING with all information and documentation as may be reasonably required for PEAK MANUFACTURING to receive the benefit of the Contract.

(b) Where computer software is a deliverable of the Work or is otherwise embedded in the Work, SELLER shall provide the title(s), version(s), type(s) and licenses for the software (including any third party software components) as soon as practicable but no later than at the time of delivery. If requested, SELLER shall provide a "Certificate of Insurance" evidencing SELLER's compliance with these requirements.
